## Goals, Objectives, Policies and Programs

### Goal

To provide community facilities and services that are well maintained and sufficient for the needs of the residents of the Town of Oakfield, working with the private sector and surrounding communities when it is beneficial.

### Objectives

1. Provide adequate public safety and road maintenance to all residents and businesses in the Town.
2. Review existing Town ordinances and standards as needed to implement the recommendations of this plan.

### Policy

1. The Town of Oakfield should meet as needed with surrounding communities to determine how services and equipment can be shared and in some instances, mutually funded.

### Program

1. Town officials have been trained in Emergency Incident Management systems so that the Town could be eligible for grant monies.
